10. AOPA Fly-in Discussion: EAA responsibilities to AOPA are limited to working the pancake breakfast and beverage booth. Our EAA Chapter will have a couple members assisting the EAA National booth as well as working our own pilot lounge. We need enough members to volunteer so that it can be done in shifts with everyone having time off to view the booths and attend workshops. A sign-up sheet was passed around with 27 volunteering.

11. Matt has installed a new carburetor on Tyler Voss' RV-8 which will be test flown soon in preparation for its flight in September to Tyler's family in Texas.

12. Fly-ins: Republic Aug. 22-24, Priest River Sept. 6.

13. 61 kids flew in 8 airplanes at last Saturday's Young Eagles event. The next YE event is Sept. 20.

14. Tool Acquisition: It was decided the Chapter will purchase a flaring tool for use by members.

15. The Chapter voted to sell Mary Verner's Fly Baby to Tom Baker for \$400.

16. It was reported that the memorial sign for Cromwell Dickson was destroyed in an auto accident and will be replaced by the insurance of the offender.

17. The membership voted to give Jerry Turner salvage rights to the damaged Cromwell Dickson sign.

18. The next Chapter meeting will be at Addison's hangar on Sept. 12.

19. Adjourned to break to be followed by 2 speakers.
